Description

Interchangeable Quilt Designs can be used with all Pieced In-the-Hoop Blocks or to create plain (un-pieced) blocks to extend your quilt in the hoop layout options.

Note:

Ocean Waves is intended to be used when embroideries are being added to a quilt block. This collection of concentric waves is easily adjusted to allow it's use with multiple embroidery design sizes. Each wave has been saved as a separate color change and stitches from the center out. When using larger embroideries you can easily omit one or more of the center most waves by advancing to the next color change.

Includes:

- Machine instructions for 5 and 8 inch blocks
- Complete step by step instructions with photos of every step from hooping to binding

Available for instant download in 5 and 8 inch blocks
